PUBLIC HEARING:

The trustees held a public hearing to discuss a recommendation from the Cardington Township Zoning Commission regarding various draft amendments to the Cardington Township Zoning Resolution.

DISCUSSION:

Clase explained that Plan4Land mailed surveys to all Cardington Township residents over a year ago. The returned surveys expressed that residents want farmland preservation and low population density. The Zoning Board of Commission held numerous meetings over the past year to review the zoning resolution and make recommendations to update the zoning resolution and the zoning map.

Grammatical typos will be corrected and Articles XIII and XIV will be amended to reflect that public notices may also be posted the Township website as stated in the Ohio Revised Code.

Trustees will vote on these recommendations during the regular meeting starting at 7:00 PM.

Patterson moved, Green seconded, to adjourn the special meeting for the public hearing. Time 6:50 PM.
